## Explanations:

For the issuing of the registration documentation we need the following documents:

**Pos. 1 Certificate TR CU 032/2013**

1. Operating manual in Russian
2. Technical drawings (eg isometry / detail drawings)
3. HS-Nummer
4. Existing European certificates (eg ATEX / CE / ISO)
5. Nondestructive Testing Protocols (e.g. weld / material)
6. Test protocols (e.g. ultrasound / X-ray)
7. Risk analysis (for example according to EN / GOST)
8. Welding certificate
9. Strength calculation according to GOST standard according to TR ZU 032/2011 requirement
10. Safety justification according to GOST standard according to TR ZU 032/2011 requirement
11. 3.1 Material certificates (for TR 032/2011)
12. Registration documents of the legal person in the Customs Union (for example RU branch end customer / if not EAC)

**Pos. 2 Technical passport acc. TR CU 032/2013**

1. Operating manual in Russian
2. Existing European certificates (eg ATEX / CE / ISO)
3. Technical Datasheet (in Russian)
4. Beschreibung des Produktes (in Russisch)
5. Operating time until general overhaul incl. Storage period
6. Component list
7. 3.1 Material certificates (for TR 032/2011)
8. Welding certificate (for TR 032/2011)
9. Typenschild (gemäß GOST-Norm)
10. Technical drawings (for example isometrics / detail drawings)

**Pos. 3 Justification safety (GOST-Norm)****General Explanatory Notes**

Please note that only one registered in the Customs Union jur. Person may appear as an applicant in the certificate/declaration. The following services are included in the price: All examinations in our accredited laboratory, registration of the products with the individual authorities and authorities, preparation of the TR to declaration or certificates, dispatch of the original documents, the position of the Russian legal entity in the form of our partner EAC Consulting LLC (condition for this is an applicant contract).

**Shipping and payment**

The issuance of all documents takes about 15 - 20 working days. Upon completion of the certification, you will receive a copy of the certificate / technical documentation and the invoice by e-mail. Our invoices are payable without deduction within 14 days of the date of issue.

**These deadlines do not start until all necessary for certification Documents are submitted to us.**

**Further services**

We can also provide translations of technical documentation, logistic services, verification and consulting your subcontractors, as well as offering a complete project support. The prices are orderspecific.

This offer is valid until **25-05-2019**

Yours sincerely
